MEMO ENDORSED

RE: United States v. Nurridin Witcher  
20 Cr. 116 (KMW)

Dear Judge Wood:

I write to request that the Court modify Mr. Witcher's conditions of release to remove the condition of a curfew enforced by electronic monitoring. Neither Pretrial Services nor the Government object to this request. ) *Granted*

Mr. Witcher is in full compliance with the conditions of his release. He has also engaged with the Federal Defender social work team, and is currently working. Mr. Witcher is dating a woman in Brooklyn while his mother lives in Mount Vernon. This modification will allow him to travel and stay freely between the two locations without requiring regular disturbance of Mr. Witcher's Pretrial Officer. Given his continued compliance with all conditions of release, GPS monitoring is no longer necessary to ensure the safety of the community or Mr. Witcher's presence in Court. Pretrial will continue to regularly monitor and assist Mr. Witcher, as it has throughout the pendency of this case.

Thank you for your attention to this matter.

Respectfully submitted,

/s/ *IMX*
